### EXPERIENCE

Blake Holbrook is an associate in the Seattle office of Wilson Sonsini Goodrich & Rosati, where he is a member of the firm's energy and climate solutions practice.

Blake represents sponsors and borrowers in structured finance, project finance, acquisitions, and project development transactions, with a focus on the renewable energy and clean technology sectors. Blake's practice also involves the representation of lenders, private equity funds, and other investors in complex asset-based financings. He advises clients on tax and cash equity financings, construction, back-leverage and mezzanine financings, tax credit purchase agreements, and capital market securitizations for a variety of assets and cash streams, including community solar and utility-scale, commercial and industrial (C&I), distributed generation, and residential solar and battery energy storage projects.
