Patents and Innovations

**EXPERIENCE**

---

Xiaoyang Tang is an associate in the Boston office of Wilson Sonsini Goodrich & Rosati, where she is a member of the patents and innovations practice. She focuses her practice on patent prosecution, patent portfolio management, and strategic client counseling in the pharmaceutical and life sciences industries.

Prior to attending law school, she worked as a scientist at an early-stage pharmaceutical company, where she provided analytical support for formulation development and manufacturing of generic and 505(b)(2) pharmaceutical products and managed a phase II clinical trial coordination across three hospitals.
